

# Seminar Taekwondo Defense

April 16-17 / April 23-24

April 16 – 24, 2022

in Sindelfingen / Germany

## What is Taekwondo Defense?

Taekwondo Defense is a realistic, modern self-defense that is trained and used by martial artists as well as by the police and the military (for example in South Korea and Mexico). In contrast to other self-defense styles, Taekwondo Defense specifically uses Taekwondo techniques.

## Why Taekwondo Defense?

Today there are two directions in Taekwondo: the sporty and the traditional. Both have hardly any interest in realistically applicable fighting techniques. But many coaches and athletes would like to train exactly that. Taekwondo Defense fills this gap and is therefore the ideal complement to classic Taekwondo.

## Who can learn Taekwondo Defense?

Taekwondo Defense is open to practitioners of all martial arts with and without prior knowledge. Taekwondo Defense can be trained and practiced without a background in classic Taekwondo.

## Instructors in Sindelfingen

- Grandmaster Kim Eunseob (founder of the World Taekwondo Defense Federation)
- Master Lee Jiseok (Chief Instructor World Taekwondo Defense Federation)
- + one additional experienced TKDD Instructor from Korea

## Seminar content

In Korea, the Taekwondo Defense Federation (TKDD) is already professionally organized. There are Dan grades and TKDD trainer licenses. Soo-Nam Park (9th Dan Taekwondo) was entrusted by Grand Master Kim Eunseob (founder of TKDD) to set up TKDD in German-speaking countries. The seminar in Sindelfingen is open to practitioners from all over the world.

### → Dan / license seminar for athletes with previous knowledge of Martial Arts

We offer a 9-day seminar in which Martial Artists with previous knowledge (minimum 1st Kup Taekwondo or other Martial Arts) have the opportunity to acquire the 1st Dan Taekwondo Defense. Associated with the 1st Dan is the TKDD C level instructor and examiner license. A colour belt testing system already exists in Korea and is being set up in Europe. TKDD Black belts are allowed to test up to a certain kup grade.

→ **Weekend seminars for athletes with and without previous knowledge**

Parallel to the Dan- and license-seminar, we offer two weekend seminars, which are included in the 9-day intensive seminar, but can also be attended individually. There are no entry requirements for these weekend seminars; participation is possible with any graduation. The contents of the two weekend seminars 1 and 2 will not be identical, so that it is possible to attend both seminars for more intensive learning - or just one, depending on available time and personal interests. All participants receive a certificate of attendance and of course the opportunity to expand and deepen their knowledge at later seminars.

→ **Refresher and advanced seminar for the holders of the 1st Dan TKDD**

For the participants who have already acquired their 1st Dan as well as the examiner and instructor licence C TKDD in January 2022, we offer a refresher and advanced seminar TKDD. As we have three trainers from Korea in Sindelfingen in April as well as being in the triple gymnasium throughout, this part of the seminar can take place parallel to the basic seminar. Holders of 4th Dan Kukkiwon and higher can take the examination for 2nd Dan TKDD. Those who hold a low or no Kukkiwon Dan can of course take the 2nd Dan TKDD after the appropriate waiting period (but not in April 2022).
