## What is Taekwondo Defense?

Taekwondo Defense is a realistic, modern self-defense that is trained and used by martial artists as well as by the police and the military (for example in South Korea and Mexico). In contrast to other self-defense styles, Taekwondo Defense specifically uses Taekwondo techniques. Starting in 2022, Taekwondo Defense has been established in Europe with a growing community of instructors and clubs.

## Why Taekwondo Defense?

Today there are two directions in Taekwondo: the athletic/Olympic and the traditional. Both have hardly any interest in realistically applicable fighting techniques – which is a disadvantage as many coaches and athletes would like to train exactly that. Taekwondo Defense fills this gap and is therefore the ideal complement to classic Taekwondo.

## Who can learn Taekwondo Defense?

Taekwondo Defense is open to practitioners of all martial arts. It can be trained and practiced without a background in classic Taekwondo.

## Instructors in Sindelfingen

- Grandmaster Kim Eunseob (founder and President of the World Taekwondo Defense Federation)
- + 2 experienced TKDD Instructor from Korea like  
Master Lee Jiseok (Chief Instructor World Taekwondo Defense Federation)  
Master Seongun Byeon  
Master Sucheol Park

## Seminar content

In Korea, the Taekwondo Defense Federation (TKDD) is already professionally organized. There are Dan grades and TKDD trainer licenses. Soo-Nam Park (9th Dan Taekwondo) was entrusted by Grand Master Kim Eunseob (founder of TKDD) to set up TKDD in Europe. The seminar in Sindelfingen is open to practitioners from all over the world though. Starting in 2022, the TKDD community in Europe is growing. There are already about 20 clubs that became “TKDD locations”, which are teaching the martial art to their students and conducting color belt examinations.

**→ Dan / license seminar for athletes with previous knowledge of Martial Arts**

We offer a 9-day seminar where Martial Artists with previous knowledge of Taekwondo or other Martial Arts (minimum 1st Kup) have the opportunity to acquire the 1st Dan Taekwondo Defense. Included in the 1st Dan is the TKDD C level instructor and examiner license (examinations up to green belt). Holders of the 1<sup>st</sup> Dan TKDD have the possibility to acquire a license and to establish TKDD at their club/school.

**→ Weekend seminar for athletes with and without previous knowledge**

Parallel to the Dan- and license-seminar, we offer a weekend seminar. There are no entry requirements for this seminar; participation is possible with any graduation or even without a graduation. All participants receive a certificate of attendance and of course the opportunity to expand and deepen their knowledge at later seminars.
