## What is Taekwondo Defense?

Taekwondo defense is a modern, realistic form of self-defense that is trained and used by martial artists as well as the police and military (for example in South Korea and Mexico). In contrast to other self-defense styles, Taekwondo Defense uses Taekwondo techniques specifically. Since 2022, Taekwondo Defense has also established itself in Europe with a growing number of trainers and clubs.

## Why Taekwondo Defense?

There are two directions in Taekwondo today: The sporting/Olympic and the traditional. Both have little interest in realistically applicable self-defense techniques. This is a pity, because many coaches and athletes want exactly that. Taekwondo Defense fills this gap and is therefore the ideal complement to traditional Taekwondo.

## Who can learn Taekwondo Defense?

Taekwondo Defense is open to practitioners of all martial arts. It can therefore also be trained and practised without a background in classic Taekwondo.

## Masters:

- Grandmaster Kim Eunseob (Founder and President of the World Taekwondo Defense Federation)
- + 2 experienced TKDD instructors from Korea such as  
Master Lee Jiseok (Chief Instructor World Taekwondo Defense Federation)  
Master Seongun Byeon  
Master Suchoel Park

## Seminar content:

In Korea, the Taekwondo Defense Federation (TKDD) is already professionally organised. There are Dan grades and TKDD trainer licences there. Soo-Nam Park (9th Dan Taekwondo) was entrusted by Grandmaster Kim Eunseob (founder of TKDD) with the task of establishing

TKDD in Europe. The seminar in Sindelfingen is open to participants from all over the world. The TKDD community in Europe has been growing since 2022. There are already around 20 locations here where TKDD is taught and where colour belt examinations are held.

### → Dan/licence seminar for athletes with previous knowledge of Budo

We offer a 9-day seminar in which budo athletes with previous knowledge (1st Kup Taekwondo or other budo sport) have the opportunity to acquire the 1st Dan Taekwondo Defense. The TKDD instructor and examiner licence C level (examinations up to green belt) is linked to the dan degree. Holders of the 1st Dan TKDD have the opportunity to obtain a licence and offer TKDD at their club or school.

### → Weekend seminar for athletes with and without previous experience

We offer a weekend seminar parallel to the dan and licence seminar. There are no entry requirements, participation is possible with any grade and even without a grade. All participants receive a certificate of participation and of course the opportunity to expand and deepen their knowledge at later seminars.

### → Refresher and advanced seminar for 1st to 3rd Dan TKDD holders

For participants who have already obtained their 1st to 3rd Dan TKDD, we offer two refresher and advanced TKDD seminars.
